Treasurers Report	See attached report The general account is still looking healthy. It was noted that \$10 of the \$25 P&C payment will need to be transferred into the Building Fund if the tax deduction is to be made available; the fact that this is a tax deductible item needs to be promoted.
Canteen Committee Report	Menu changes planned for both terms 2 and 3. Take up of the healthy eating menu is improving. Volunteers are still an issue, need to consider promoting this again.
Uniform Committee Report	Price lists had been updated with a new format; prices are the same. Likely change to sizing day under consideration.
Principals Report	See attached report. Of particular interest was the likely delay in obtaining a crossing attendant to Connelly Drive.
